INFORMATION NOTICE 123

Dear Neighbour,

Re: Large early delivery, Friday 21st May postponed to Friday 28th May.

Due to high winds forecast for tomorrow we have had to postpone the early morning delivery that was notified to you within information notice 122. The consignment is now re-scheduled for delivery a week later, on Friday 28th May.

In line with our normal approach, the vehicle will arrive between 0650-0700hrs and will be directed into the pit lane on Queensway. The engine will be switched off and the vehicle will remain in situ until site opening hours at 8am, whereby it will be unloaded and then proceed to leave site. No works will take place out of hours and we will endeavour to minimise disruption as much as possible.

As outlined in previous notices, our large abnormal deliveries are required by the Metropolitan Police to be off the road network by 07.00hrs in the morning.
