INFORMATION NOTICE 136

Dear Neighbour,

Re: Large early deliveries: Friday 11th June & Monday 14th June.

Please be informed that due to scheduling issues we have had to delay our consignment due on Monday 7th June until the following week - Monday 14th June. We have also scheduled an additional delivery for Friday 11th June.

On each day the vehicle will arrive between 0650-0700hrs and on Friday 11th June it will be directed into the pick point on Redan Place and on Monday 14th June it will be located at the pit lane along Queensway. Once at their delivery position, the engines will be switched off and the vehicles will remain in situ until site opening hours at 8am, whereby they will be unloaded and subsequently proceed to leave site. No works will take place out of hours and we will endeavour to minimise disruption as much as possible.

As outlined in previous notices, our large abnormal deliveries are required by the Metropolitan Police to be off the road network by 07.00hrs in the morning.
