

THE WHITELEY

INFORMATION NOTICE 154

Dear Neighbour,

Re: Pile Cap Pour – Core AS - Wednesday 25th August 2021.

Please be informed that we will commence pouring the first phase of the pile cap for the Whiteleys Development on Wednesday 25th August. When concrete is poured it is imperative that the process is completed in one session, otherwise the integrity of the final structure could be compromised. Due to the thickness of the pile cap and the volume of concrete required, Westminster City Council have agreed to extend the working hours on that day to 07.00-20.00hrs.

Outside normal working hours (between 7am-8am and 6pm-8pm) the concrete vehicles will be held and pumped within the site at B1 level to help minimise the noise. The procedure will involve the use of the site concrete pumps at B1 level, and the placing work will be contained within basement level 3. This operation is the first of six occasions planned within phase one, between now and the end of September.

If you have any questions regarding this information, please contact Alex O'Gorman – Project Manager – 07766 990062. If you have any other questions, please email whiteleyscommunity@laingorourke.com. Your query will be responded to within 48 hours.

Kind regards,

The Laing O'Rourke Team
