

THE WHITELEY

INFORMATION NOTICE 157

Dear Neighbour,

Re: Pile Cap Pour, No.2 – Monday 6th September 2021.

Please be informed that we will continue pouring the pile cap in the southeast corner of the Whiteleys Development on Monday 6th September. As advised in our Information Notice 154 (20th August), this is the second of six occasions planned before the end of September and due to the thickness of the pile cap and the volume of concrete required, Westminster City Council have agreed to extend the working hours on that day to 07.00-20.00hrs.

Outside normal working hours (between 7am-8am and 6pm-8pm) the concrete vehicles will be held and pumped within the site at basement level 1 to help minimise noise. The procedure involves the use of the site concrete pumps at B1 level, and the placing work will be contained within basement level 3.
