## INFORMATION NOTICE 164

---

Dear Neighbour,

**Re: Planned Crane Servicing 18<sup>th</sup> September.**

Please be informed we will be undertaking crane servicing and maintenance activities to three of our five cranes, on Saturday 18<sup>th</sup> September.

The service work being undertaken is a normal part of a tower crane's operation and is essential in ensuring that the equipment is kept in a good state of repair. Maintenance and repair activities performed in relation to the cranes need to be carried out over a weekend due to the high-risk nature of the tasks and the requirement for a large exclusion zone with minimal people on site.

In order to undertake these works Westminster City Council has agreed to extend our normal Saturday working hours until 17.00hrs.
