## INFORMATION NOTICE 174

---

Dear Neighbour,

**Re: Planned Crane Servicing Postponed Until 9<sup>th</sup> October.**

Unfortunately, due to adverse weather conditions (high winds) forecast for this weekend, we have had to postpone the planned crane servicing activities advised to you in Information Notice 171. Weather permitting, this operation will be rescheduled to Saturday 9<sup>th</sup> October and Westminster City Council have agreed to extend the permitted working hours that day until 17.00hrs.

The service work being undertaken is essential in ensuring that the equipment is kept in a good state of repair and will not involve any noisy works.
