INFORMATION NOTICE 178

Dear Neighbour,

Re: Access Route Adaption Saturday 9th October.

Please be informed that we have received permission from Westminster City Council for extended working hours on Saturday 9th October, to allow an adaption to the access route into site.

The access & evacuation route located near to the security turnstiles needs to be widened in order to accommodate increasing numbers of operatives attending site. As the work is located on a high traffic pedestrian route, the operation can only be safely undertaken out of hours. The work is non-noisy, and the activity will be contained within the site boundary, along the Queensway elevation. Permitted working hours on Saturday 9th October are 08.00-18.00hrs.
