INFORMATION NOTICE 179

Dear Neighbour,

Re: Electrical Services Re-route & Scaffold Fan Removal.

Please be informed that in preparation for a forthcoming installation we need to reroute some electrical services along Queensway and remove the scaffold fan at the corner of Redan Place / Queensway.

Due to the location of the activities they need to be undertaken with a safety exclusion zone and when there are minimal people on site. We have therefore received permission from Westminster City Council for extended working hours on the following days.

Electrical service re-route: Monday – Friday 11th to 15th October 18:00-19:00 with a contingency period Saturday 16th October 13:00-18:00.

Scaffold fan removal: Saturday 16th October 13:00-18:00.

The works are classified as non-noisy and the scaffold removal will use hand rather than a mechanical ratchet approach.
