

WHITELEYS DEVELOPMENT

INFORMATION NOTICE 181

Dear Neighbour,

Re: Façade Banner Wrap Installation

Please be informed that following recent preparation works, The Whiteley development will be installing a banner to the Queensway façade, further mitigating the impact of construction works on the surrounding area. This will cover the retained façade from the height of the hoarding.

The installation process will involve creating a large safety exclusion zone along the Queensway façade, including the pitlane. Therefore, works will be carried out over two weekends, Saturdays (08:00 – 18:00) and Sundays (10:00 – 18:00) 23rd-24th and 30th-31st October, with a backup weekend of 6th-7th November should there be any weather-related delays. We have received permission from Westminster City Council to carry out these works during the times and dates mentioned.

The works are classified as non-noisy.
