INFORMATION NOTICE 186

Dear Neighbour,

Re: Abnormal load deliveries and removal w/c 25th October

Please be informed that we have a number of abnormal deliveries and removals from site next week (w/c 25th October) which will take place outside of normal working hours, as per the Metropolitan Police requirements that abnormal loads must not be on the road network between 07:00 – 19:00.

Morning deliveries will arrive on site between 06:50 and 07:00, and Mondays evening collection will leave site at 19:00. All loading and unloading will take place during normal working hours and vehicles will wait in situ with engines switched off until they are able to proceed.

The abnormal loads next week are as follows:

Tuesday 26/10/2021	Wide Load Delivery to Redan Place

Thursday 28/10/2021	Wide Load Delivery to pit lane	
Friday 29/10/2021	Wide Load Delivery to pit lane	

We will carry out these works in line with best practice measures and we work hard to minimise disruption to our neighbours.
