

THE WHITELEY

INFORMATION NOTICE 194(B)

Dear Neighbour,

Re: Basement 3 - Foundation & Pile Cap Pour Rearrangement.

Further to Information Notice 194 that went out earlier today, our concrete partner has just informed us that the issue they were experiencing has now been resolved and therefore our pour rearranged to Monday 8th November will now go ahead tomorrow, as originally planned. All times and execution details will remain the same.

We must apologise for any confusion this may have caused, if you should have any queries please contact Ashley Wright – Community Engagement Advisor – 07385 402432.

Kind regards,

The Laing O'Rourke Team
