INFORMATION NOTICE 194

Dear Neighbour,

Re: Basement 3 - Foundation & Pile Cap Pour Rearrangement.

Due to unforeseen circumstances the foundation pour scheduled for tomorrow and advised in our Information Notice 189, has been rearranged to Monday 8th November 2021.

Due to the thickness of the foundations and associated volume of concrete required, Westminster City Council have agreed to extend the working hours for this operation to 07.00-20.00hrs. The process will require the use of three pumps, however outside normal working hours they will be limited to:

- Pump 1 - located at basement level 1 (between 7am-8am and 6pm-8pm)
- Pump 2 - located at ground level in the north east corner of site (between 7am – 8am)

Each pumping machine located at ground level will be wrapped in acoustic blankets and to mitigate any inconvenience, we will cease the use of the pumps, as soon as is practically possible.
