

WHITELEYS DEVELOPMENT

INFORMATION NOTICE 261

Dear Neighbour,

Re: Loading Bay Welding Works – 2nd – 3rd July 2022.

Please be informed that this coming weekend (02-03 July) we will be working within the loading bay located in the north-west corner of Redan Place. The planned works will involve the welding of steelwork in order to allow works in the area to progress.

This must be completed outside of normal working hours as the loading bay is the main delivery point for materials arriving on the project. There will be no deliveries to the loading bay during this time and we anticipate it will be non-noisy.

If you have any questions regarding this information, please contact Ciara McCullagh – Senior Environmental Advisor - 07341077468.

If you have any other questions, please email whiteleyscommunity@laingorourke.com. Your query will be responded to within 48 hours.

Kind regards,
The Laing O'Rourke team
