INFORMATION NOTICE 267

Dear Neighbour,

Re: Cable Pulling Works – 13th-14th & 20th-21st August 2022.

Please be informed that for the coming two weekends – 13th/14th and 20th/21st August we will be working at basement level 1 installing cables and power testing. Works will take place on Saturdays 13:00-18:00hrs and Sundays 09:00-17:00hrs.

The operation must be completed outside of normal working hours as there are significant health & safety considerations, involving high voltage testing and restrictions to the main access routes. The works will be non-noisy and are confined to the basement levels of the build.
