INFORMATION NOTICE 271

Dear Neighbour,

Re: Drainage Installation.

Please be informed that we have received permission from Westminster City Council for extended working hours on Saturday 24th October and Saturday 1st October, 2022 from 13:00-17:00hrs - to enable the installation of a drainage system above the onsite offices. The activities being undertaken involve all power to the area being isolated and operatives working at height - thus requiring health & safety exclusion zones. The operation will be undertaken by a small team of technicians, is non-noisy and will be fully contained within the building.
