

THE WHITELEY DEVELOPMENT

INFORMATION NOTICE 273

Dear Neighbour,

Re: Planned Crane Services 1st September 2022.

Please be informed we will be undertaking crane servicing and maintenance on Saturday 1st September, between 13:00-17:00hrs.

The service work being undertaken is a normal part of a tower crane's operation and is essential in ensuring that the equipment is kept in a good state of repair. Maintenance and repair activities performed in relation to the cranes need to be carried out over a weekend due to the high-risk nature of the tasks and the requirement for a large exclusion zone with minimal people on site.
