

# WHITELEYS DEVELOPMENT

## INFORMATION NOTICE 39

---

Dear Neighbour,

**Re: Heavy plant delivery Monday 17<sup>th</sup> February**

We are expecting the delivery of our second piling rig on the above date between 19:00-22:00.

Please be advised that this is a time-slot – the actual operation, which involves delivery and offloading, will take approximately one hour and will cause minor disruption to access of Redan Place while the operation takes place.

It will arrive to site from Bishops Bridge Road, via Queensway and Redan Place North.

We will have a full traffic-management plan in place and the operation will be overseen by our project management and logistics teams to minimise disruption to traffic flow on Queensway and surrounding areas.

The operation is taking place out of working hours; due to the size of vehicles we are obliged to wait until peak traffic at rush-hour has subsided.

If you have any questions regarding this information, please contact:

James Croydon, site engineer – 07384 524909

Mary-Anne, site community manager – 07818 528837

If you have any other questions, please email [whiteleyscommunity@laignorourke.com](mailto:whiteleyscommunity@laignorourke.com). Your query will be responded to within 48 hours.

Kind regards,  
The Expanded team
