INFORMATION NOTICE 60b

Dear Neighbour,

Re: Large deliveries w/c 3rd August 20

Apologies for the third information notice regarding this issue. Following discussions with Westminster City Council, it has been decided to move the delivery of the 60te crane back to its original schedule. We will therefore be receiving this delivery tonight, **Thursday 6th August at 8pm** to avoid extra disruption in the morning. As noted in our original information notice, the delivery vehicle will arrive, engine switched off, the crane will be tracked off and parked up on site with rigging taking place the following morning after 8am.

The delivery vehicle will be on site for no more than 1 hour and the tracking of the crane will be limited to 10 mins.

We apologise for any confusion these notices may have caused.

Please be informed, in addition to the large deliveries we communicated in last week's information notice, see below (Fri 31st July), we will also be receiving a 60te crane on Thursday 6th August at 8pm.

As with the other deliveries, this is an 'abnormal load', meaning it can only enter the central London road network at certain hours. The crane will be tracked on to site and parked until 8am when it will be unloaded.

Please be informed we will receive large deliveries between 6:50 and 7:00 Tuesday, Wednesday and Thursday (4th, 5th, 6th August).

As outlined in previous notices, our large abnormal deliveries are required by the Metropolitan Police to be off the road network by 0700 in the morning.

The vehicles will be driven on to site between 6:50-7:00. The engine will be switched off until site opening hours at 8am, when they will be unloaded and proceed to leave site. No works will take place out of hours.

The deliveries will arrive to site from Bishops Bridge Road, via Queensway and Redan Place North Gate 2 (Queensway end). As usual, we will endeavour to minimise disruption as much as possible.
