INFORMATION NOTICE 67

Dear Neighbour,

VARIATION ON WORKING HOURS, SAT 5TH SEPT

Please be informed on Saturday 5th September we have an approved variation in working hours from Westminster City Council to carry out works in the south-west corner of site (at the corner of Redan Place and Porchester Gardens). We will be installing window protection for the properties along the section of Porchester Gardens ahead of some localised piling works in this area due to be carried out w/c 7th September. The works will not be noisy and will be localised in this area.

LARGE DELIVERIES/COLLECTION w/c 7TH SEPT

We will receive **large deliveries between 6:50 and 7:00 Tuesday-Friday** next week.

The vehicles will be driven on to site between 6:50-7:00. The engine will be switched off until site opening hours at 8am, when they will be unloaded and proceed to leave site. No works will take place out of hours.

On **Tuesday 8th September** we also have a **large collection scheduled for 7pm**. The collection vehicle will arrive to site from Bishops Bridge Road, to Queensway. North Gate 2 (Queensway end) will be opened and the rig tracked along Redan place to be loaded on Queensway before departure. The operation will be managed closely by our team and there will be no disruption to traffic flow on Queensway. As usual, we will endeavour to minimise disruption as much as possible.

As outlined in previous notices, our large abnormal deliveries are required by the Metropolitan Police to be off the road network between 0700 in the morning and 1900 in the evening.
