INFORMATION NOTICE 83

Dear Neighbour,

Re: Saturday works 5th December

This Saturday we will be working our regular site hours 8am-1pm. Works to be completed include the installation of 2 cabins along the west elevation, using Tower Crane 2. Additionally, we will carry out a small concrete pour at the lower level with the pump located in the centre of the site at low level to reduce the risk of any noise at ground level.

These works should not be disruptive, but our neighbours along Redan Place may just notice extra activity on site, especially the use of the tower crane.
