INFORMATION NOTICE 73

Dear Neighbour,

Re: Large collections 12th October

Please be informed, next week we will have 2 late collections of large plant (one piling rig and one 60t crane) on Monday evening.

As usual, the collection vehicles will be loaded during working hours, the engines will be switched off until 7pm when they will proceed to leave site.

Vehicles will arrive to site from Bishops Bridge Road, via Queensway and Redan Place North Gate 2 (Queensway end). We will endeavour to minimise disruption as much as possible.

As outlined in previous notices, we are required by the Metropolitan Police to ensure large abnormal vehicles do not enter the central London road network during peak hours.

Please note, for these collections to take place we will need to keep our site lights on later than usual. These will be switched off once the operations are completed.

If you have any questions regarding this information, please contact Mary-Anne, site community manager – 07818 528837.
