INFORMATION NOTICE 91

Dear Neighbour,

Re: COVID 19 Update

Please be informed that in response to a recent industry wide request from the Transport for London to support their COVID safe efforts, we have recently agreed with the council and implemented a staggered access and egress policy for the development.

This policy change means our personnel are admitted to and from the construction site across a wider time span. Permitted activities for those team members arriving between 7.00 - 8.00hrs and leaving between 18.00 - 19.00hrs are limited to low impact, non-noisy tasks such as briefings, safety checks and plant maintenance.

If you have any questions regarding this information, please contact Ashley Wright, site community manager – 07385 402432.

If you have any other questions, please email whiteleyscommunity@laingorourke.com. Your query will be responded to within 48 hours.

Kind regards,
The Laing O'Rourke team
