## INFORMATION NOTICE 124

---

Dear Neighbour,

**Re: Large cabin removals - Thursday 20<sup>th</sup> May postponed.**

Please be informed that we will now have to postpone the removal of the cabins which was planned for tonight. We had hoped to be able to continue with the removal before the arrival of the high winds originally forecast for tomorrow, unfortunately the conditions have deteriorated earlier than expected and we have curtailed our crane activity.

We will send a further notification once we are able to reschedule the transportation and removal.
