INFORMATION NOTICE 128

Dear Neighbour,

Re: Power Utility Survey.

Please be informed that in order to prepare for the installation of the required power utilities, it is necessary for surveying and tracing works to be undertaken along Redan Place during June.

The investigations will be performed by Reach Active and will involve the creation of excavation points and drill holes along Redan Place West. These activities will necessitate the closure of the entry point at Porchester Gardens between 1st - 22nd June and all access to and from Redan Place during this time will be via the Queensway entrance.

All required temporary traffic management signs and cones will be installed by Reach Active, ahead of the work starting.
