## INFORMATION NOTICE 140

---

Dear Neighbour,

**Re: Crane Bracing - Saturday 19<sup>th</sup> June postponed to Saturday 26<sup>th</sup> June 2021.**

Please be informed that the crane bracing process planned for Tower Crane 1 this Saturday has been rescheduled to next Saturday, the 26<sup>th</sup> June. In order to enable these activities to be undertaken Westminster City Council has given permission for extended Saturday hours between 13.00-18.00hrs.

As previously advised, all tasks associated with these works will occur at the basement and mezzanine levels and are being undertaken to allow us to proceed further with our excavations down to basement level 3. The operation requires isolation of power to the crane and therefore must be undertaken when the crane is not in use and an adequate exclusion zone can be safely created.

In terms of sound, the procedure does not include any noisy works and the workforce will be concentrated in the basement area, which is largely covered by the slab. All staff will be reminded to be mindful of our neighbours, especially if moving around the site.

Should you have any questions regarding this information, please contact Ashley Wright, community liaison advisor – 07385 402432. If you have any other questions, please email [whiteleyscommunity@laingorourke.com](mailto:whiteleyscommunity@laingorourke.com). Your query will be responded to within 48 hours.

Kind regards,

The Laing O'Rourke Team
