INFORMATION NOTICE 161

Dear Neighbour,

Re: Falsework Removal – Saturday 11th September.

Please be informed that we have received a dispensation from Westminster City Council to undertake the removal of falsework around the vehicle tunnel entrance along Redan Place North.

For health & safety reasons this task needs to be performed outside of normal working hours and therefore in order to limit additional weekend working we have scheduled it to coincide with the steel beam installation taking place this weekend (advised in Information Notice 156). The agreed hours for this procedure are Saturday 11th September 13.00-18.00hrs and Sunday 12th 10.00hrs-17.00hrs.

In term of noise the procedure will initially involve periods of striking to the props and rubber mallets will be used to help dampen any noise impact.
