INFORMATION NOTICE 168

Dear Neighbour,

Re: Hoist Installation Saturday 25th September.

Please be informed that we have received permission from Westminster City Council for extended working hours on Saturday 25th September, for the installation of a formwork hoists, which is a type of lifting equipment that allows us to efficiently move equipment and materials between floors which are under construction.

Due to the required location of this hoist, close to the bottom of the site ramp, the operation needs to be undertaken at a time when there are no vehicle movements and a restricted workforce. This work is classified as non-noisy work, with most of the activity contained at basement level 1. Permitted working hours on Saturday 25th September are 08.00-18.00hrs.

If you have any questions regarding this information, please contact Ashley Wright – Community Engagement Advisor – 07385 402432.

If you have any other questions, please email whiteleyscommunity@laingorourke.com. Your query will be responded to within 48 hours.

Kind regards,
The Laing O'Rourke team
