INFORMATION NOTICE 185

Dear Neighbour,

Re: Basement 3 - Foundation & Pile Cap Pour, Monday 25th October.

On Monday 25th October, we will continue the foundation pour at Basement Level 3, pouring a total of 550m³ of concrete. As advised in our Information Notice 154 (20th August), when concrete areas are poured it is imperative that the process is completed in one session, otherwise the integrity of the final structure could be compromised. Due to the thickness of the foundations and associated volume of concrete required, Westminster City Council have agreed to extend the working hours to 07.00-20.00hrs to facilitate the works.

All concrete delivery vehicle holding and pumping outside of normal working hours (08:00 – 18:00) will take place from the Basement Level 1 slab to reduce any potential noise impact. Each pump located at ground level will be wrapped in acoustic blankets and to mitigate any inconvenience during the normal working day.
