INFORMATION NOTICE 192

Dear Neighbour,

Re: Façade Banner Wrap Installation – Security Checks

Please be informed that due to the adverse weather conditions experienced during the banner installation last weekend, the assembly team needs to undertake additional tautening activities and supplementary checks.

These activities are an essential part of the safety protocols and therefore Westminster City Council have granted permission for the specialist installation organisation to attend site and undertake these activities this evening between 18.00-22.00hrs. The work is classified as non-noisy and will involve the use of a cherry picker and abseiling - enabling access to the full surface area of the banner.

If you have any questions regarding this information, please contact Ashley Wright – Community Engagement Advisor – 07385 402432.

If you have any other questions, please email whiteleyscommunity@laingorourke.com. Your query will be responded to within 48 hours.

Kind Regards,
The Laing O'Rourke team
