INFORMATION NOTICE 193

Dear Neighbour,

Re: Planned Crane Services 6th November.

Please be informed we will be undertaking crane servicing, maintenance and bracing activities to four of our five cranes, on Saturday 6th November.

The service work being undertaken is a normal part of a tower crane's operation and is essential in ensuring that the equipment is kept in a good state of repair. Maintenance and repair activities performed in relation to the cranes need to be carried out over a weekend due to the high-risk nature of the tasks and the requirement for a large exclusion zone with minimal people on site.

In order to undertake these works Westminster City Council has agreed to extend our normal Saturday working hours until 18.00hrs.
