INFORMATION NOTICE 203

Dear Neighbour,

Re: Façade Banner Wrap Installation & Hoist Delivery.

Please be informed that on the 27th (13:00-18:00hrs) & 28th November (10:00-18:00hrs), we will continue the installation of the Queensway façade banner that was previously postponed due to adverse weather conditions. The installation process will involve creating a large safety exclusion zone along the Queensway façade, and will involve the use of the north portion of the pitlane.

On Saturday 27th November (08:00-16:00hrs) 2021, we will also take delivery of a hoist lifting system. Due to the size of the consignment, spread across several vehicles, the unloading process will take several hours and there is a possibility that it may extend beyond normal site opening hours. Please note this is strictly a delivery and no installation activities will be undertaken.

All these works are classified as non-noisy and we have received permission from Westminster City Council to carry out these tasks during the times and dates mentioned.
