## INFORMATION NOTICE 217

---

Dear Neighbour,

**Re: Foundation Pour – W/C 10<sup>th</sup> January 2022.**

We have three foundation pours planned for next week, Monday 13<sup>th</sup>, Tuesday 14<sup>th</sup>, Wednesday 15<sup>th</sup> and Thursday 16<sup>th</sup> December. As previously advised, when concrete areas are poured it is imperative that the process is completed in one session, otherwise the integrity of the final structure could be compromised. Due to the thickness of the foundations and associated volume of concrete required, Westminster City Council have agreed to extend the working hours on these days to 07.00-20.00hrs.

Next week's activities will require the use of three pumps, however outside normal working hours the process will be limited to:

Pump 1 - located at ground level – central loading bay (7am-8am and 6pm-8pm)

Pump 2 - located at ground level in the north east corner of site (7am – 8am and 6pm-8pm)

Each pumping machine will be wrapped in acoustic blankets and to mitigate any inconvenience, we will cease the use of the pumps, as soon as is practically possible.

Kind regards,
