INFORMATION NOTICE 264b

Dear Neighbour,

Re: Large late collection – Rearrangement to Thursday 28th July 2022.

Further to our information notice 264 - unfortunately due to last minute transportation issues we were unable to remove the large load from site as originally planned. The operation has now been re-scheduled to this Thursday, 28th July 2022.

As per the previous notification, the associated vehicle will arrive on site at approx. 17.00hrs and the team will then load the lorry with the consignments before 18.00hrs. Once the load operation is complete the vehicle will remain parked, with the engine switched off at the pit lane along Queensway until 19.00hrs, when it will leave site via Queensway, onto Bishop's Bridge Road.

As outlined in previous notices, large abnormal loads are required by the Metropolitan Police to be off the road network by 07.00hrs in the morning until 19.00hrs in the evening, which is why we are unable to schedule the departure time during normal site working hours.

If you have any questions regarding this information, please contact Ashley Wright, site community engagement advisor – 07385 402432. If you have any other questions, please email whiteleyscommunity@laingorourke.com. Your query will be responded to within 48 hours.
