

THE WHITELEY DEVELOPMENT

INFORMATION NOTICE 270

Dear Neighbour,

Re: Emergency Lighting Testing.

Please be informed that in order to comply with fire risk protocols we have a requirement to implement monthly emergency lighting inspections across the full breadth of the development. Each month a team of electricians will undertake a series of testing between 18:00-20:30hrs. Due to the volume and nature of the checks the work needs to be performed across a number of evenings and with minimal people on site.

The operation is non-noisy and involves a series of manual examinations to ensure that all the emergency lighting equipment is working in line with requirements. Below is a schedule of planned dates for the remainder of this year:

1. 22nd Aug – 26th Aug 2022
2. 26th Sep – 30th Sep 2022
3. 24th Oct – 29th Oct 2022
4. 21st Nov – 25th Nov 2022
5. 12th Dec – 16th Dec 2022
