INFORMATION NOTICE 37

Dear Neighbour,

Re: Amendment to Information Notice 37 (31st January 2020) regarding personnel vehicles on site after working hours

Following last week's information notice, please be informed that the above works are now taking place on the following dates:

- Friday 7th February
- Monday 10th February

There will be a small number of site personnel and vehicles on site on both dates until approximately 7:30pm to facilitate the removal of site cabins from site.

The reason for an onsite presence beyond working hours is, due to the size of vehicles needed to transport cabins offsite, we are obliged to wait until peak traffic at rush-hour has subsided.

To make the operation as quick and smooth as possible, the lorries will arrive on site at 4pm, loaded within site working hours (by 6pm), and leave site at 7pm.

If you have any questions regarding this information please call Mary-Anne, site community manager: 07818 528837. Out-of-hours and Saturday, please call site security: 07384 906917.

If you have any other questions, please email whiteleyscommunity@laingorourke.com. Your query will be responded to within 48 hours.

Kind regards,
The Expanded team
