INFORMATION NOTICE 38

Dear Neighbour,

Re: Additional breaking

Please be informed that we have found some unexpected existing walls and slabs at the south west end of site, see map for location. To enable Expanded's piling works to progress, Erith have been brought back to site to break these structures out.

We expect these works to continue for circa 3 weeks.

There will be some additional noise associated with these works. Erith will therefore carry out the works on their previous rota of 9:00-11:00 / 12:30-14:30 / 15:30-17:30. No works will begin before 8:00.

We apologise for any inconvenience this may cause for our neighbours. Please be assured that we endeavour to keep any disruption to a minimum.

If you have any questions regarding this information please call Mary-Anne, site community manager on 07818 528837, or out of hours please call site security on 07384 906917.

If you have any other questions, please email whiteleyscommunity@laingorourke.com. Your query will be responded to within 48 hours.

Kind regards,
The Expanded team
