INFORMATION NOTICE 49

Dear Neighbour,

Re: Crane extension installation

We will be installing an extension to our crane this Saturday, 18th April during normal working hours of 8:00-13:00.

These will not count as 'noisy works' but you may notice a bit more activity on site than usual for a Saturday. Due to the large exclusion zone required to install the extension safely, we must carry the operation out on a Saturday when the site is less populated.

Once the extension is installed, it will allow the crane to operate at a lower working platform, keeping the cab and engine of the crane further in-site and away from our neighbours on Redan Place West.
