INFORMATION NOTICE 65

Dear Neighbour,

Re: Tower crane erection bank holiday weekend

As communicated in our last newsletter, we will be erecting a new tower crane over the bank holiday weekend.

For this operation to take place we will make the entire site an exclusion zone, meaning no other works can take place. Please be assured that the works will be relatively quiet and will not count as 'noisy works' as per our Section 61 agreement with WCC. We will, however, endeavour to keep any noise to a minimum. Site operatives and staff will be kept to a minimum, with approximately 20 team members needed to carry out the works.

We have dispensation from Westminster City Council to carry these works out between 8am-6pm on Saturday, Sunday, and Monday if needed.

If you have any questions regarding this information, please contact Mary-Anne, site community manager – 07818 528837.

If you have any other questions, please email whiteleyscommunity@laignorourke.com. Your query will be responded to within 48 hours.

Kind regards,
The Expanded team
