## INFORMATION NOTICE 76

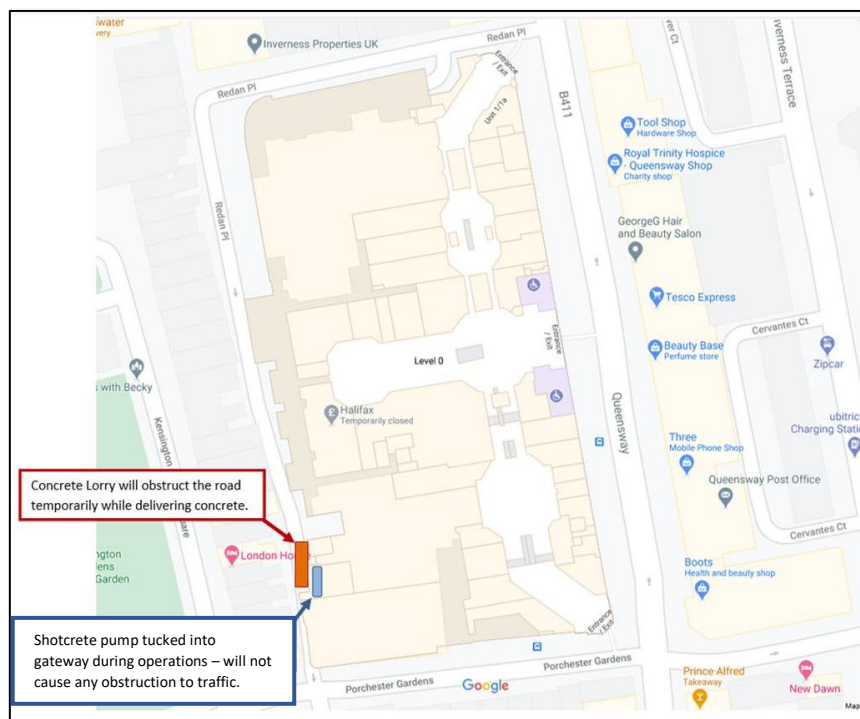

Dear Neighbour,

### Re: Shotcrete delivery Friday 30<sup>th</sup> Oct

Please be informed, we will be receiving a concrete delivery this Friday (30<sup>th</sup> October) for essential spray concrete (shotcrete) works at the south-west corner of site, see map below.

It is important to note that vehicles will be unable to pass the concrete wagon whilst the delivery is taking place and therefore will not be able to exit Redan Place from the west for this short period of time. However, full access to businesses and garages will be maintained throughout.

Please be assured that disruption will be minimal and our traffic marshal team will continue to manage access to Redan Place, prioritising access for residents and business/home deliveries at the Queensway entrance. They will also direct vehicles to exit the same way to avoid congestion along Redan Place.

If you have any questions regarding this information, please contact Mary-Anne, site community manager – 07818 528837. If you have any other questions, please email [whiteleyscommunity@laingorourke.com](mailto:whiteleyscommunity@laingorourke.com). Your query will be responded to within 48 hours.

Kind regards,  
The Expanded team
